

Savvy businesses consider the financial risk of an HMRC enquiry

Why do I need the fee protection service?

- > HMRC enquiry activity is at record levels
- > HMRC are targeted to increase tax revenues
- > HMRC have been granted wider powers of enquiry carrying out Business Record Checks, Compliance Visits and Interventions covering all taxes
- > Anyone that pays tax can come under enquiry
- > Many enquiries are selected completely at random
- > Even if your tax return and business records are accurate and the taxman finds no errors, accountancy fees can cost thousands
- > No policy excess
- > No nonsense policy covering **Savvy**
 - > Dealing with any correspondence from HMRC
 - > Attendance at any meeting with HMRC
- > Complete peace of mind

What is the fee protection service?

- > **Savvy** will defend you, should you receive an enquiry from HMRC
- > These costs will be covered by **Savvy's** policy
- > Includes cover for HMRC visits as well as written enquiries
- > Includes complimentary access to Employment Law and Health & Safety advice lines
- > **Savvy** will deal with any claims

What is not covered?

- > Routine compliance work, eg. preparing your tax return
- > Any tax, interest or penalties due
- > Criminal prosecutions and fraud
- > Enquiries commenced prior to subscribing to the service

Savvy. For businesses that get it.
